GRANTS

1. Co-principal Investigator, Changsha Natural Science Grant, “Smart Transportation Governance under the ‘Dual Carbon’ Goal” (2024-2026, RMB 50,000)
2. Principal Investigator, Changsha Human and Social Science Grant, “The Matching Dilemma between Students Cultivation in Agricultural and Forestry Universities and The demand for rural revitalization” (2024 - 2025, RMB 10,000).
3. Principal Investigator, Hunan Province Department of Education Excellent Young Scientist Grant, “The Guiding Mechanism and Path of Carbon Financial Instruments for Directed Green Technical Change” (2023 - 2025, RMB 28,000).
4. Co-principal Investigator, China National Social Science Foundation Grant, “The Chain-driving Mechanism and Path for the Green Transformation and Upgrading of High Energy Consumption Manufacturing Industry under the ‘Dual Carbon’ Goal” (2022 - 2025, RMB 200,000).
5. Co-principal Investigator, Hunan Province Natural Science Foundation Grant, “Institutional Quality, Green Innovation, and High Quality Economic Development in Hunan: Mechanism, Effect, and Policy Research” (2022 - 2024, RMB 50,000).
6. Co-principal Investigator, Hunan Province Social Science Achievement Evaluation Committee Grant, “The Optimization of Manufacturing Industry Structure in Hunan Province Based on the Reconstruction of Global Industrial Chain” (2021 - 2023, RMB 30,000).
7. Principal Investigator, Hunan Province Educational Science Planning Committee Grant, “The Mechanism and Path of the Integration and Development of Sino-foreign Cooperative Education in Local Universities from the Perspective of First Class Discipline Construction” (2019 - 2023, RMB 10,000).
8. Principal Investigator, Central South University of Forestry & Technology Young Scientists Grant, “The Mechanism and Effects of Energy-Carbon Price Transmission in China” (2017 - 2022, RMB 30,000).
9. Co-principal Investigator, Hunan Province Department of Education Grant, “The Theory and Policy of Internationalization of Technological Innovation Networks in High Technology Industries” (2016 - 2021, RMB 40,000).
10. Research Associate, Ontario Ministry of Agricultural, Food and Rural Affairs Grant, “Policy Implications of a Transition to a Green Economy” (2012 - 2015, CAD \$30,000).
11. Research Associate, Ontario Ministry of Agricultural, Food and Rural Affairs Grant, “Identifying Successful Business Models, Strategies and Policies for Promoting the Canadian Bio-economy” (2011 - 2014, CAD \$40,000).

AWARDS AND HONORS	Central South University of Forestry & Technology	
	• Teaching Achievement Awards	2021 - 2022
	• Teaching Excellence in Online Education	2020 - 2021
	• Most Favorite Teacher Teaching Excellence	2015 - 2016
	University of Guelph	
	• University of Guelph Doctoral Fellowship	2011 - 2015
	• University of Guelph Entrance Scholarship	2012 - 2013
	• University of Guelph Teaching Assistantship	2011 - 2015
	• China Scholarship Council (CSC) Doctoral Fellowship	2011 - 2015
	University of Calgary	
	• University of Calgary Teaching Assistantship	2009 - 2011
	Beijing Institute of Petrochemical Technology	
	• Outstanding Student Scholarship	2002 - 2006
	• Ministry of Education Student Assistantship	2005 - 2026
	• University Undergraduate Contest Scholarship	2005 - 2026
TEACHING IN ENGLISH	Central South University of Forestry & Technology
